irst Two Weeks in New York Exceed all Figures of Corresponding Period for "The Birth of a Nation."

There is at work an insidious force seeking to have the striking realism and thrilling details of this story deleted in order to curtail its punch. As one reviewer says, "Babylon and Broadway go well together."

We seek to show the struggle of human hearts against world old oppressions. Scenes and peo-ples of ancient times are utilized to bring out these facts. This marvelous production tells the truth. It will never be suppressed by any clique or coterie that is afraid to come into the open and state the case as fairly as we have stated our side

## LOVERS

DO YOU REMEMBER the beautiful old love story of RUTH and her BELOVED? It is one of those sublime love stories that has come echoing along the sands of time, GLADDENING THE HEARTS of all who LOVE.

Into "THE FLAME" TULLY has woven, just such a fascinating story—a WONDERFUL STORY OF UNDYING

PAMELA CABOT and WAYNE PUTNAM MARRY FOR LOVE in the face of towering difficulties. Then come troubles. MEXICAN bandits STEAL their lands; they are TRICKED AND TRAPPED; PAMELA is ABDUCTED by ZABINA, the revolutionist; time and again they FACE DEATH TOGETHER.

Through it all THE!R LOVE FOR EACH OTHER grows more intense, more inspiring. THEY CLING THE CLOSER and TRUST THE MORE COMPLETELY. ALWAYS the FLAME of faith and hope and LOVE BURNS BRIGHTER.

And finally they discover the TREASURE OF EARTH, and learn that PERFECT LOVE is attained only with the COMING OF A BABY. Thus in LOVE'S HIGH-NOON the play ends. It is one of those stories that MIXES TEARS AND SMILES all together till you hardly know whether to

LAUGH or CRY. But in the end you find there is a LUMP IN YOUR THROAT. AND YOU ARE GLAD THERE IS.
